IMPORTANT INFORMATION

- **Sign out** – All youth must be signed out on their afternoon roster per state licensing.
- **Snack** is provided each day and includes fruits/veggies and healthy grains. If you provide an additional snack please pack healthy food, we make it a priority to provide fresh fruits/veggies for our youth. We use this as an opportunity to encourage youth to try new foods as well.
- Children must have **sneakers/appropriate footwear** in the afternoon for participation. Your child will be engaging in active play and sneakers are important for safe play. We make an effort to go outside throughout the year so plan accordingly for the weather.
- **Absences** - If your child is not going to attend program, you must contact the appropriate Site Director via phone or the Remind app; or you will receive a \$25 fee.
- **Change of schedule** - Change of schedules may be done monthly with a two week notice; see your Site Director or our welcome center to complete a change form.
- **Withdrawal from program** – A change form must be submitted to withdraw from program. There is a 2 week written notice required and parents are financially responsible for those 2 weeks.
- **Communication** – We use various channels to keep in touch with our families throughout the year for reminders, highlights and important information. We utilize email, the Remind app for text and app notifications, a parent board at each site and family events throughout the year. Each site also has a phone for important calls during program hours.

We look forward to providing a safe and engaging place for your child to be both before and/or after school. Please never hesitate to reach out with questions.
